Selling 80% semen interest and no possession. Edge was the top performing bull of the 2017 calf crop ratioing 120 ww, and 124 yw. Edge is a deep bodied, smooth made, sound and impressive herdbull. Edge is easy fleshing and has the look of a real cow maker. We have over 20 calves of Edge on the ground now with the bull calves averaging just under 83 pounds and the heifers averaging 79 pounds. Edge's dam is a sweet fronted, great uddered, and good footed pathfinder cow. Lots of longevity in the Cinderella cow family. Great grand dam is 13 years old and still in production. We will continue to use Edge heavily. Selling with the 80% semen interest is 500 units of CSS/and Export ready semen. Edge can be viewed anytime prior to the sale at World West Sire Service in Laurel, Mont. Edge's dam has been selected to enter our embryo program this spring and will be a featured donor cow.
